

高瞻远瞩

四季·名店开幕的喧嚣尚未被忘却，另一个超豪华购物商场又要粉墨登场。美国著名商场发展商 Taubman Centers 旗下的子公司塔伯曼（亚洲）最近公布了预计于 2011 年在星丽门开业的“The Mall at Studio City”发展计划。

将自己定位在亚洲顶级购物商场的“The Mall at Studio City”目前已有 23 家国际一线大牌确定进驻，包括 Christian Dior、Gucci、Chopard、

Cartier、Omega、Piaget、Van Cleef & Arpels 和 Versace，占据 60 万平方尺购物中心内约四分之三的空间。

塔伯曼（亚洲）总裁 Morgan Parker 告诉我们，该购物中心是星丽门度假村及娱乐场综合项目的一大重要组成部分，并将成为项目中最亮眼的一道风景线：购物中心与莲花口岸近咫尺之遥；已规划建设的轻轨一旦落成必将使这里成为路 新区的枢纽中心，Parker 补充道。

FORWARD THINKING

Hot on the heels of the Shoppes at the Four Seasons comes Macau's newest super-luxe shopping destination, the Mall at Studio City. Expected to open in 2011 at Cotai's upcoming Macau Studio City Resort, plans for the Mall were recently revealed by Taubman Asia, a subsidiary of US shopping mall giant Taubman Centers.

Set to be Asia's most luxurious shopping center, the Mall at Studio City will feature a lavish line-up of 23 luxury flagship stores. The usual suspects such Christian Dior, Gucci, Chopard, Cartier, Omega, Piaget, Van Cleef & Arpels and Versace will all be there, occupying about three-quarters of the Mall's 600,000 square-feet of leasable space.

The Mall, which is a component of an integrated casino resort, will become the "showpiece" of the project, according to Taubman Asia president Morgan Parker. Its location next to the Lotus Bridge immigration checkpoint and the light rail transit line will make the shopping centre a "meeting point" along the Cotai Strip, he added.
